# Marshall Green Called Home //

## After Seven Year Illness

**Was Son of the Late John Green, Early Orangeville Merchant.—Had Been in Business on Broadway Over Forty Years.**

William Marshall Green, a prominent Orangeville merchant for upwards of forty years, died at his home at the corner of Broadway and First St., on Sunday, June 5th. His demise marked the end of a long and particularly trying illness, which he had borne with wonderful fortitude and cheerfulness. Mr. Green gave up business about eight years ago, leasing his fine store to the Great Atlantic & Pacific Tea Company. A year later he was stricken down with arthritis, which had confined him to his bed and practically to one position up to the time of his demise. In spite of his disability, which fortunately did not cause any serious physical suffering, he retained his usual keen interest in the affairs of the town and was as well informed on what was going on as citizens who were on Broadway every day. He read extensively and widely and it was seldom indeed that the visitor to his room did not find *The Globe* and the *New Outlook* lying on his bed.

Marshall Green was born in Brampton on July 7th, 1862, and was therefore almost 76 years of age. Two years later his father, the late John Green, one of this town's early merchants, moved to Orangeville and embarked in business here. The subject of our notice received his education in Orangeville public and high schools and entered his father's store as a clerk at an early age. In 1887 he was married to Miss Martha Jane Bowles, a daughter of the late Sheriff Thomas Bowles, of Orangeville, and about the same time was admitted to partnership with his father under the firm name of John Green & Son. Upon the death of his father in 1889, he succeeded to the management of the business, which was carried on for several years as Green, Bowles & Co. and later as Marshall Green & Company.

Mr. Green was always a public spirited citizen who gave practical proof of his interest in the welfare of his town and his desire to serve its interests. He entered the town council when a comparatively young man and served for a number of years as

Councillor, Deputy-Reeve, Reeve and finally as Mayor. He was active in the movement that led to the building and endowing of the present Public Library on the corner of Broadway and Mill Sts. It is interesting to recall that Mr. Green was Mayor in 1904, the year in which Lord Minto, then Governor General of Canada, Lady Minto and their party passed through Orangeville on their way to Western Canada. The Banner has in its files the text of a civic address which was presented to their Excellencies during their stop-off here. This address is signed by Mr. Green as Mayor and by the late A. A. Hughson, who was then town clerk. Mr. Green also served for some years as President of the Dufferin Agricultural Society in which he took a keen interest. A staunch member of the Methodist church, he was Superintendent of First Avenue Church Sunday School for a lengthy period and filled other offices in his church. An ardent supporter of local church union following the general union of the Presbyterian, Methodist and Congregational churches in 1926 he showed that he possessed the courage of his convictions by transferring his membership to St. Andrew's church, where he had since worshipped. He was a member of the Masonic, C. O. F. and C. O. C. F. societies and a Liberal in his political convictions.

Mrs. Green predeceased her husband in August, 1934, and his demise is mourned by two sons, Lester M. and John C., both of Toronto, one daughter, Mrs. J. L. Gordon, Kamloops, B.C., and three sisters, Miss Annie Green and Mrs. A. A. Marshall, Toronto, and Mrs. J. D. McMillan, Orangeville.

The funeral was held from Turner's Undertaking Parlors to the Forest Lawn cemetery on Monday afternoon. Rev. C. F. McIntosh held a private service at the Parlors, also officiating at the graveside, and was assisted by Rev. G. W. Robinson, Toronto, a former pastor of First Avenue church here, and Rev. Newton Bowles, of Dixie. Many lovely flowers told of the affection and sympathy of friends and relatives. The remains were borne to their last resting place by Messrs. C. M. McCollam, Brampton, T. W. Chapman, Toronto, a lifelong friend, Dr. W. H. Bowles, S. H. Rutledge, W. C. McMillan and A. D. McKittrick.

W. M. Green

The death occurred at Orangeville on Sunday of William Marshall Green. A son of John Green and Sarah ~~Marshall~~ he was born in Brampton 76 years ago, but went to Orangeville when one year old. He entered his father's general store and conducted the business for 40 years. He retired 10 years ago. In younger years Mr. Green took an active part in municipal life and was mayor of Orangeville for several terms. He also served as councillor and represented Orangeville in Dufferin county council. He was a life member of Harris Masonic lodge and was connected with the Ionic chapter, and the Foresters. For many years he was an active member of the Orangeville Lawn Bowling and Curling clubs and was an ardent supporter of lacrosse teams. He was superintendent of the Methodist Sunday school for 25 years during which time he also acted as church treasurer. More recently Mr. Green was a member of St. Andrew's United church. He was also elected president of the Dufferin agricultural society on several occasions. He was married in 1885 to Miss Jennie Bowles, a daughter of the late Sheriff Bowles. She predeceased him four years ago.
